Technické specifikace

- Velikost : 55 cm
- Výška (mm) : 50
- Šířka (mm) : 530
- Hloubka (mm) : 555
- partCode : 9029793289

Popis výrobku

Minimise the risk of water damage on floors and fittings. This drip tray for fridges and freezers is specially designed to let water run out to the front, making even smaller water leaks visible to you. It ensures you catch the leak before it causes any trouble or large damages. Dimensions: 55 cm width
